SUPPLEMENTARY INFORMATION: Section 1308 of the 2002 Farm Bill requires the Secretary establish and consult with the Board for the purpose of advising the Secretary regarding the establishment of quality and handling standards for all domestic and imported peanuts marketed in the United States.

The 2002 Farm Bill, as amended by § 12502 of the Agriculture Improvement Act of 2018, provides the Board's makeup will include three producers and three peanut industry representatives from States specified in each of the following producing regions: Southeast (Alabama, Georgia, and Florida); Southwest (Texas, Oklahoma, and New Mexico); and Virginia/Carolina (Virginia, North Carolina, and South Carolina). The Board consists of 18 members with representation equally divided between peanut producers and industry representatives. Each term of office is for a period of three years. The terms of office are staggered in order to replace one third of the Board each year.

The term "peanut industry representatives" includes, but is not limited to, representatives of shellers, manufacturers, buying points, marketing associations and marketing cooperatives. The 2002 Farm Bill exempted the appointment of the Board from the requirements of the Federal Advisory Committee Act.

USDA invites individuals, organizations, and groups affiliated with the categories listed above to nominate

individuals for membership on the Board. All qualified nominees are forwarded for consideration as the Farm Bill does not provide for any voting. Appointees sought by this action will fill two positions in the Southeast region, two positions in the Southwest region, and two positions in the Virginia/Carolina region.

Nominees should complete an Advisory Committee or Research and Promotion Background Information form (AD-755) and submit it to Steven W. Kauffman at the address provided in the "Addresses" section above. Copies of this form may be obtained at the Internet site <http://www.ams.usda.gov/about-ams/facas-advisory-councils/peanut-board>, or from the Southeast Marketing Field Office. USDA seeks a diverse group of members representing the peanut industry.

Equal opportunity practices will be followed in all appointments to the Board in accordance with USDA policies. To ensure the recommendations of the Board have considered the needs of the diverse groups within the peanut industry, membership shall include, to the extent practicable, individuals with demonstrated abilities to represent minorities, women, persons with disabilities, and limited resource agriculture producers.

Authority: 7 U.S.C. 7958.
